# Checklist for planned maintenance focused inspection campaign

---

**AMSA surveyor's will be using the checklist below when inspecting ships as part of our planned maintenance focused inspection campaign.**

Use this checklist to prepare for the inspection. Below is a sample of the focused inspection campaign checklist.

No.	Question	Yes	No	NA
1	Have survival craft falls been inspected periodically, with special regard to areas passing through sheaves?			
2	Have the procedures for permits to work been used onboard?			
3	Have the IMO Guidelines for fixed carbo dioxide fire-extinguishing systems been incorporated in the maintenance plan??			
4	Have the air pipes to ballast and other tanks been maintained after survey?			
5	Have maintenance inspections been held at intervals in accordance with the SMS?			

6	Has the Sewage Treatment Plant been maintained to conform to the provisions of MARPOL Annex IV?			
7	Have essential software, such as engine and generator control system software, been maintained in accordance with manufacturer's instructions?			
8	Has the inventory and inspection of cargo securing equipment been conducted by the ship's crew?			
9	Has the ship been maintained after survey?			
	<b>POST INSPECTION</b>			
	<b>Have deficiencies been issued as part of the FIC?</b>			
	<b>Has the ship been detained as part of this FIC?</b>
